Barclay Dick, Director

The Governor's Advisory Council on Aviation (Council) develops strategies for improving the efficiency of Arizona's aviation system, enhance land use and aviation planning, and improve the working relationship and communication between state and local aviation entities and relevant federal agencies. The members of the Council shall be appointed by the Governor and will serve at the pleasure of the Governor for up to four years. The Council membership will include a chairperson to be named by the Governor. The Council will include the Director of the Arizona Department of Transportation or designee and at least 10 at-large members with expertise or experience in aviation. At-large members shall not advocate for or represent any special or corporate interest when

performing their duties on the Council. The Council, during the course of its deliberations, should take testimony from all aviation interests including corporations, aviation businesses, the military, and the general public. The Governor may appoint representatives from other state, regional, or federal agencies, such as the Federal Aviation Administration and the U.S. Department of Defense, to serve as ex-officio members of the Advisory Council. The Arizona Department of Transportation shall serve as staff to the Council. The Council, in consultation with state, regional and local transportation entities, shall establish mechanisms or procedures for improving the communication, dialogue, and working relations with federal agencies that have jurisdiction over aviation issues in Arizona. The Advisory Council shall work with the State Transportation Board and other appropriate aviation officials to establish a process for defining future aviation needs and a strategy for addressing these needs. The Advisory Council shall study and issue "consensus" findings and recommendations that specifically address the following issues: airspace utilization and airport capacity, land use compatibility, federal funding for aviation in Arizona, criteria for evaluating aviation facility and system needs, future aviation needs assessments and funding strategies. The Council shall issue a preliminary report 12 months from the Council's first session and a final report 24 months from the Council's first session. The report shall be distributed to the Governor, the president of the Arizona State Senate, and the speaker of the Arizona House of Representatives. Executive Order 2004-22.

www.adc.state.az.us/CORP/Corp.htm
Nolan Thompson, Chairman

The administration of the Corrections Officer Retirement Plan and the responsibility for making the provisions of the plan effective for each employer are vested in a local board. The Department of Corrections, the Department of Juvenile Corrections, and each participating county shall have a local board. For state departments, the local boards consist of: two members elected by secret ballot by members employed by that department in a designated position; two citizens appointed by the Governor; one member who is knowledgeable in personnel actions appointed by each of the Directors of the Departments of Corrections and Juvenile Corrections for their respective boards. Each state department local board shall elect a chairperson. For each participating county, the local boards consist of: the chairperson of the Board of Supervisors, or a designee who is approved by the Board of Supervisors, who serves as chairperson; two members elected by secret ballot by members employed by the participating county in a designated position; and two citizens appointed by the chairperson of, and with the approval of, the Board of Supervisors, including one citizen who is the head of the merit system if it exists for the members. For political subdivisions, the mayor or chief elected official or a designee approved by the respective governing body as chairman, two members elected by secret ballot by members employed by the appropriate employer, and two citizens, one of whom is the head of the merit system if it exists for the group of members, appointed by the mayor or chief elected official and with the approval of the city council or governing body of the employer. Local boards: decide all questions of eligibility and service credits and determine the amount, manner, and time of payment of any benefit under the plan; determine the right of a claimant to a benefit and afford a claimant or the fund manager or both the right to a rehearing on the original determination; request and receive from the employers and from members information necessary for the proper administration of the plan and action on claims for benefits and forward the information to the fund manager; distribute in an appropriate manner information explaining the plan which the fund manager receives; furnish the employer, the fund manager, and the Legislature on request annual reports with respect to the administration of the plan; appoint a medical board composed of a designated physician or clinic other than the employer's regular employee or contractor; and sue and be sued to effectuate the duties and responsibilities set forth. EQUITY IN STATE CONTRACTING EXECUTIVE OVERSIGHT REVIEW TEAM, GOVERNOR'S

1700 W. Washington St.

Phoenix, AZ 85007

(602) 542-7001

www.governor.state.az.us/esci/Oversight_review_Team.htm

Nicole Davis, Director

The Governor's Equity in State Contracting Executive Oversight Review Team considers procurement and purchasing recommendations designed to improve opportunities and participation in state contracting by small, women- and minority-owned businesses. The Team meets quarterly and is composed of the following eight executive office members, each of whom is appointed by the Governor, and serve, without compensation, at the pleasure of the Governor: the Deputy General Counsel of the Governor's Office, the Director of the Governor's Equal Opportunity Office, the Director of the Governor's Accounting Office, one representative from the Attorney General's Office, one representative from the State Procurement Office and three representatives from state agencies with significant knowledge and expertise on state procurement contracts. The Team is chaired by the Governor, or in his/her absence, by the Governor's Chief of Staff or Deputy General Counsel, who shall also serve as the Executive Director. The Governor, the Chief of Staff or the Deputy General Counsel has the power to convene the Executive Oversight Team. The Team assesses the viability of recommendations from the Community Consultants Group and where appropriate, authorizes the implementation of their recommendations, produces an overall plan for enhanced small, women- and minority-owned business contracting opportunities with the state of Arizona, approves recommendations within state agencies to implement their plan, monitors, reviews, and evaluates recommendations of intra- and inter-agency focus groups and of the Community Consultant Group and identifies and addresses any relevant impediments that small, women- and minority-owned businesses face in accessing procurement and purchasing opportunities with the state of Arizona. Executive Order 2004-6.

Phoenix, AZ 85007
(602) 771-1104
Debra Raeder, Director

The P-20 Council explores ways Arizona can achieve a more effective, efficient and equitable education pipeline through some or all of the following strategies: aligning high school, college, and work expectations to meet industry-specific skill sets in high-growth, high-skill occupations that will bring economic prosperity and diversity to Arizona. Helping students at all levels meet higher standards and prepare for formal education and workforce training beyond high school. Giving all students the excellent teachers and leaders that they need, particularly in the areas of math, science and literacy. Strengthening high school and postsecondary accountability systems to better prepare students for college and increase enrollment and completion rates. Improving middle school and elementary school standards to ensure high school preparedness for math and science. Ensuring clear pathways for all students to obtain college degree, regardless of point of entry. Assessing the need to expand four-year degree programs at postsecondary institutions. NURSING CARE INSTITUTION ADMINISTRATORS AND ASSISTED LIVING FACILITY MANAGERS, BOARD OF EXAMINERS

1400 W. Washington St., Ste. B-8

Phoenix, AZ

(602) 542-8156

Allen Imig, Executive Director

In the 2005 Legislative Session Senate Bill 1358 continues the Board of Examiners of Nursing Care Institution Administrators and Assisted Living Facility Managers for one year, modifies the membership of the Board and allows the Board to take action against regulated persons after their license has expired. Continues the Board for one year until July 1, 2006. Shortens the terms of Board members from three-year terms to two-year terms. Eleven members are appointed by the Governor to serve on the board including two new members, a manager of an assisted living center and a manager of an assisted living home. Removes one lay member representing consumers of nursing care institution services and one lay member representing consumers of assisted living facilities from the Board and replaces them with two public members. Prohibits managers of the assisted living centers and managers of assisted living homes from being affiliated with a nursing care institution. Eliminates the option of appointing an administrator at large to the Board and instead requires that only a manager at large who is not affiliated with a nursing care institution be appointed. Requires that the member of the Board that is an administrator of a nonprofit skilled nursing facility be an administrator of a faith-

based nonprofit skilled nursing facility. Prohibits members of the board from serving on any other board relating to long-term care during the member's term with the Board. Stipulates that a Board member's term automatically ends when that member no longer meets the qualifications for appointment to the Board. Requires the Board to notify the Governor of the Board vacancy. Requires the Board to provide the Senate and House Health Committee Chairpersons copies of Board minutes and executive decisions. Subjects the Board and its licensees to the same requirements that apply to other health professional boards and licensees including allowing the Board to take action against a licensee after a license has expired.

Hal Wand, R.Ph., Executive Director

The Arizona State Board of Pharmacy (Board) establishes rules pertaining to the practice of pharmacy and the manufacture and dispensing of drugs in the state. In 2005, Senate Bill 1126 updates Arizona statutes relating to the regulation of pharmacy licensees and permittees as well as regulation of prescription drugs and controlled substances. Senate Bill 1126 adds two members to the Arizona State Board of Pharmacy raising the total number of members to nine including: Six pharmacists, one who must be employed by a licensed hospital and one who must be employed by a community pharmacy and engaged in the day-to-day practice of pharmacy. One pharmacy technician that has been a practicing pharmacy technician for at least five years and has been a licensed pharmacy technician in Arizona for at least five years (pharmacy technicians appointed to the board before July 1, 2009, do not have to meet the five-year licensure requirement and pharmacy technician members serve five-year terms) and Two public members. Before members are appointed, the Executive Director of the Arizona Pharmacy Association may submit a list of names of possible appointees to the Governor. It removes the two-year time limit for an Executive Director to serve on the Board. Prescribes that if the Executive Director dies, becomes incapacitated or resigns, the Deputy Director shall serve as the Executive Director until the Board selects a replacement. Makes other changes to pharmacy statutes relating to definitions, disciplinary actions, permitted practices, Board rules and prescriptions. Removes the requirement of Senate confirmation. A.R.S. § 32-1902.

www.commerce.state.az./energy/SolarEnergyAdvCouncil.asp

Ken Clark, Director

The Solar Energy Advisory Council (Council) consists of the following members: the chairperson of the Arizona Power Authority, and the following members appointed by the Governor: a faculty member at Arizona State University; a faculty member at the University of Arizona; a faculty member at Northern Arizona University; and 11 additional persons either knowledgeable about specific solar energy technologies or representatives of private industry involved in the application of solar energy to commercial, industrial, or residential use. The president of the Senate and the speaker of the House of Representatives or their representatives shall be advisory members. Terms are three years. The chairperson of the Council shall be selected by the Governor from among the members. The Council assists and advises the Director of the Department of Commerce on matters relating to the development and use of solar energy and other renewable energy resources including recommendations for the utilization or disbursements of federal and state funds for solar purposes; encourages efforts by research institutions, local government institutions, and home builders in obtaining technical and financial support from the federal government for their activities in solar and advanced alternate energy systems; identifies and describes the solar energy technologies that are feasible and practical in terms of short-term application of retrofit, new construction, and conservation projects within five years; identifies and describes long-range programs that are feasible and require significant technological development, with programs having similar technological gradients formulated to encompass the period of time from the present through the year 2020; encourages the cooperation and direct involvement of academic, business, professional, and industrial sectors that are determined to have special expertise or knowledge of solar energy technology; and makes recommendations to the Director on standards, codes, certifications, and other programs necessary for the orderly and rapid commercialization and growth of solar energy use in this state for consideration by the appropriate jurisdictional bodies. A.R.S. § 41-1510.

Stephen A. Owens, Director

The Underground Storage Tank Technical Appeals Panel (Panel) is established consisting of ten regular members and three alternate members who are appointed by and who serve at the pleasure of the Governor for staggered two-year terms. Each member shall have a baccalaureate degree and professional experience in hydrology, hydrogeology, geology or engineering. Experience with underground storage tank corrective actions is highly preferred. A member shall not be an employee of the United States environmental protection agency or this state, but may be a faculty member at a state university. The panel shall hear testimony, review evidence, examine witnesses if necessary and prepare written findings of fact regarding the matters specifically identified by the Department of Environmental Quality. The administrative law judge and the panel members shall deliberate at the conclusion of the hearing. Following these deliberations, the panel members shall weigh the evidence presented and issue written findings of fact based solely on the testimony presented at the hearing and the exhibits received into evidence. The administrative law judge shall adopt the panel's technical findings of fact in the recommended decision to the director unless the administrative law judge determines that the technical findings of fact are technically invalid. The administrative law judge shall prepare a written explanation in the recommended decision to the director regarding the reasons for the administrative law judge's finding and shall include a copy of the panel's technical findings of fact with the recommended decision.
